

Client Furniture Policy

Open Hands is a charity that aims to meet the immediate needs of disadvantaged and vulnerable people in Leicester. We strive to provide emergency help in the form of food, clothing, toiletries, household goods, and furniture. As a charity dependent on donations, we seek to meet only the most urgent needs.

We provide furniture items at a reduced and affordable cost. We aim to provide basic furniture items that are of a reasonable quality to those without, for this reason we will not replace furniture that is already functional.

Open Hands Furniture Returns Procedure

At Open Hands, we aim to help those in need by offering a free or reduced cost service in which new and re-used stock is available to those qualified for the service. Items will be priced in a way that reflects their new or re-used condition. Whilst we endeavour to provide good-quality items of furniture, re-used items of furniture may contain signs of wear and tear. We hope that all items provided will enrich the life of each recipient. If a problem arises on receipt of an item, we ask for your cooperation in the application of this policy.

1. If you wish to cancel an order before it's delivery date, you must let us know at least 2 working days prior to the scheduled delivery date in order for us to be able to arrange a refund.
2. If you are unhappy with an item that is delivered to you, you must communicate your concerns to the drivers at the point of delivery.
3. As items are all bought as seen (based on the photo and comments presented to a client), exchanges or returns are only permitted in the case of faulty items.
4. An exchange will only be possible whereby an item is delivered in a non-working condition. The item must be in original condition to be returned. As we are a charity dependent on donations, it may not always be possible for us to arrange a replacement; in this event a refund will take place.
5. If you notice a fault with your item after delivery (e.g. broken or missing parts), you must communicate this to the Open Hands office (0116 255 8672) within 1 week of delivery. In the event that a refund or exchange is agreed a suitable date will be arranged for this to take place. If you notice a fault with an electrical item after delivery, you must communicate this to the Open Hands office (0116 255 8672) within 1 week of installation.
